Unopposed Letter-Motion for Extension of Time on Pre-I.P.C. Letter**

Dear Judge Rochon:

This firm represents plaintiff Rahsheeda Covington in the above-referenced action. We write to respectfully request a brief, two-day extension of the deadline by which the parties' joint, pre-initial pretrial conference letter (and accompanying proposed case management plan and scheduling order; together, the "joint letter") shall be filed.

By Notice of Initial Pretrial Conference (ECF No. 19), the Court ordered the parties to file the joint letter by no later than April 14, 2025, *i.e.*, ten days before the scheduled conference. Due to previously planned out-of-office traveling days, plaintiff's counsel would respectfully ask that the April 14<sup>th</sup> joint-letter deadline be extended to April 16, so as to allow all parties' counsel additional time to confer on pre-conference issues and to prepare the pre-conference submissions. (For the avoidance of doubt, we note that no adjournment of the conference date itself is being sought here.) No previous requests for an extension of the joint-letter deadline have been made. And defendants The Estée Lauder Companies Inc. and M.A.C. Cosmetics Inc. consent to this extension request. We thank the Court for its consideration of this matter.

Respectfully submitted,

/s/ Gregory P. Feit
